Arcona Capital combines sporting triumph with support for good causes

Prague, 12 October 2016

Staff of Arcona Capital participated in two Prague sporting events during September and contributed a total of 42,000 Czech Crowns to various charitable projects.

The JLL Volleyball tournament and the CBRE Dragon Boat Races were good opportunities for staff of Arcona Capital to demonstrate their diverse sporting skills while nurturing and supporting charitable organizations that help not only in the Czech Republic but also in Africa. In the Volleyball, early elimination allowed an afternoon's sunbathing, but revenge was sweet in the Dragon Boat Races, where the crew's dominance was total and the winning margins massive.

„We are all very competitive, and that makes us very pleased with the crushing victories of our crew in the Dragon Boat Races. Volleyball, in comparison, we have always considered a marginal sport. However, even more, we appreciate the enthusiasm of all involved and their efforts to help some good causes,, said the Director of Arcona Capital Guy Barker.
